

PERSONAL DATA PROTECTION

INSTITUTO DE ASTROFÍSICA DE CANARIAS commits to comply with the current legislation on automated processing of personal data and, particularly, the 15/99 Organic Law on Personal Data Protection from December 13th (OLDP from now on). Through this privacy policy INSTITUTO DE ASTROFÍSICA DE CANARIAS informs its users about the following points:

File entitlement

INSTITUTO DE ASTROFÍSICA DE CANARIAS informs the users that the data will be included in an automated file with the name "WEB USERS". INSTITUTO DE ASTROFÍSICA DE CANARIAS guarantees that the file is fully its responsibility and that it is properly declared and inscribed on the General Registry of the Spanish Agency on Data Protection, being INSTITUTO DE ASTROFÍSICA DE CANARIAS its holder.

Personal data treatment's purpose

When filling the following form, each holder accepts and authorizes INSTITUTO DE ASTROFÍSICA DE CANARIAS to use and treat the provided personal data for the maintenance of the relationship user-company, which can actually be of the users' interest on our products and special offers, through the most appropriate media, electronic media included.

Confidentiality of the data and their security measures

INSTITUTO DE ASTROFÍSICA DE CANARIAS guarantees to take the appropriate measures to assure the confidential treatment of the mentioned data. If the user does not agree with the treatment, he/she can address

INSTITUTO DE ASTROFÍSICA DE CANARIAS
Vía Láctea s/n
38205 La Laguna (Tenerife)
SPAIN

or addressing an e-mail to this e-mail address lopdp@iac.es, where you can exercise the rights of access, rectification, cancellation and objection, enclosing in both cases a copy of both sides of the N.I.D and an address for notifications.

Use of cookies

INSTITUTO DE ASTROFÍSICA DE CANARIAS informs of the use of "cookies" in our website. A cookie is a very small text file that a web server can keep in the hard disk of a computer to store some kind of information about the user. It can only be read by the website that sent it to the computer.

Usually, the websites use cookies to get statistical information about their websites, and analyze the behavior of their clients/users.

INSTITUTO DE ASTROFÍSICA DE CANARIAS uses cookies with the only purpose of elaborating statistics of the use of its website. The information that INSTITUTO DE ASTROFÍSICA DE CANARIAS stores in the computer through this mechanism is the number that identifies each user, and the date that the cookie was placed. This allows the user to be recognized by our website.

You can configure your browser to accept, or not, the cookies it receives so that it can warn you when a server wants to store a cookie.
