

From La Laguna Center (H. Nivaria or H. Aguere)

The image shows a Google Maps interface of the University of La Laguna campus. On the left, a list of 25 food spots is displayed, each with a pin icon and a brief description. A black line on the map highlights a route starting from the center of the campus, passing through the Faculty of Physics, and ending at the 'Padre Anchieta' tramway station. The map includes various landmarks such as the Faculty of Education, the Faculty of Biology, and the Faculty of Pharmacy. A scale bar at the bottom left indicates 200 feet and 100 meters.
